

## Planning New 50-Bed Hospital In Area

Proposed \$250,000  
Chiropractic Center  
Depends On Zoning

Providing a zoning change request is approved, a quarter-million dollar, 50-bed chiropractic hospital is planned for Pontoon road at Wabash avenue, with construction expected to begin within four months.

Dr. E. W. Walton, who operates the Walton Chiropractic Clinic at 2001 Johnson road, said if the city planning commission approves a request to change the zoning from R-1 to R-5 residential at their scheduled March 8 meeting, he will proceed with the planned hospital.

"It would hope construction would begin by the first of May, and at the latest by the first of June," Dr. Walton said.

**Meeting For Petitioners**

Some opposition to the zoning change has been expressed and a meeting of residents objecting to re-zoning of the tract has been called for 7:30 p.m. Wednesday at the office of the Maryland Real Estate and Insurance Agency, 2106 Pontoon road.

Maurice Dailly, attorney for Dr. Walton, said about 100 families in the neighborhood had expressed opposition to the change, apparently under the impression that a service station or some other type of business would be erected.

The tract for which the zoning request has been made lies along Wabash avenue between Pontoon road and Ames avenue, and is owned by Mrs. Vergie M. Spalding and Mrs. Carol Steiner.

**One-Story Structure**

Dr. Walton said his hospital, a one-story structure of brick with a ready-made lifetime roof, would have a 200-foot front along Pontoon road, 30 feet from the front.

"It will be a very modern, attractive building," Dr. Walton said, "and would certainly be an enhancement to property in the area rather than a detriment."

He said the hospital would require a staff of between 60 and 75 persons, including nurses.

## Public Hearing Set For Nameoki Rd., Rte. 3 Work

A public hearing on proposed improvements along the entire length of Nameoki road and Route 3 from Granite City to Mitchell will be held at 2 p.m. March 8 in the local YMCA. It was announced today by G. H. Shanahan, district engineer for the Illinois Division of Highways.

The proposed work includes widening and resurfacing the present pavement, construction of curbs, gutters, medians and necessary storm sewer drainage for the four traffic lanes for the entire length of Edwardsville road through Granite City to the Interstate Route 270 intersection at Mitchell.

Interested persons, including representatives of federal, state, county and municipal agencies, civic groups and property owners are invited attend, and Shanahan requests all important facts and arguments to be submitted in writing, in quadruplicate, to be received at the hearing.

## Madison Man, Aron Watt, 46, Killed In Plant Mishap

Aron Watt, 46-year-old employee of the Granite City Steel Co., was killed Thursday when he was struck on the head by a portion of a mechanical chute in which he was working. He was pronounced dead on arrival at St. Elizabeth Hospital.

A company spokesman said the chute was a part of a mechanical chute in which he was working. He was pronounced dead on arrival at St. Elizabeth Hospital.

Watt lived at 815 Franklin avenue in Madison, and had been employed at the steel plant seven years. He had lived in Madison since 1945, moving from the town of Frank, a daughter, Juanita, at home; eight brothers, including Charles, all of Madison; and three sisters.

Ceremonial services were conducted yesterday afternoon at the Madison Southern Baptist Church, with burial in the Garden of Mones Cemetery.

## Driver Fined \$106; Faces Fifth Charge

Jasper S. Chepley Jr., 22, of 2403 East 25th street, received injury Saturday at 12:30 a.m. when his southbound car on Henry street sideswiped a utility pole and struck a tree in the vicinity of the Big Top Hotel.

Chepley, who had been chased by Granite City police from the vicinity of the Big Top Hotel, was fined \$106 when he pleaded guilty before Police Magistrate Caspary to charges of speeding, failing to heed the flashing red light and a siren of a police car, neglecting to return for a March 3 hearing. His car was towed from the Hamilton Glasgow yard.

Proper, where it had struck a tree after the 1 1/2 mile chase.

## Annual Basis Sewage Plant Operating Cost \$70,000 Less

A \$70,000 difference in the annual operation and maintenance costs of sewage treatment plants designed for handling separated storm water and sanitary sewage or combined sewage from dual system is of major importance to Granite City, it is revealed in a \$250 report by the Sewer and drainage committee.

The \$2,937,000 plant designed for Granite City by the East Side Levee & Sanitary District to handle the flow from the present combined sewage system would cost an estimated \$203,900 a year to operate, compared to an estimated \$131,825 a year to operate for a smaller plant that would treat only the separated sewage from a separate sewer system.

The citizens group is recommending construction of the smaller plant at a cost of \$1,200,000, with the difference in construction costs of \$1,000,000 for the larger plant, to be used toward building interceptor sewers estimated to cost \$140,000, and separate drainage lines also is proposed.

## Plant Half The Size

The larger proposed plant, designed for the city by the levee district, would have a maximum capacity of 24,400,000 gallons a day, more than double the smaller plant for a separate sewer system needing a capacity of only 11,500,000 gallons a day.

The smaller plant would be located on separate drainage lines to storm water and sanitary sewage in the older sections of the city which combined sewage now is in operation. In the Nameoki area, the systems are separated and the sanitary sewage enters the city's combined sewers through a series of lift stations.

The citizens committee spokesman, and a special committee of council members currently are conferring on the overall \$9,925,000 program and recommending a presentation to the council Dec. 13.

G. W. Hoelscher, citizen group chairman, said it is likely some adjustments will be made, but that a decision can be expected in the near future.

## Venice Council Buys Site For Garage

Agreement Reached On  
Joint Dog Pound; VHS  
Students Visit Session

With six student "officials" looking on, the Venice city council Friday night approved the \$7500 final site purchase for a new city garage and voted to enter into a formal agreement to share the cost of the Madison-Venice dog pound.

A resolution was approved accepting the deed to a 1.1-acre, 350x125-foot tract in the 1400 block of Klein street for the garage. It is south of the Merchants Bridge highline, and was owned by the Madison County Housing Authority.

The council approved the \$7500 price on Nov. 17 after a \$6000 offer had been refused by housing authority officials. Appraisals obtained by the city had valued the site at \$10,000, but housing officials indicated nothing less than \$7500 would be accepted.

Mayor John E. Lee asked City Engineer Jack Tolliver to meet with a four-man building committee named two weeks ago to plan the new city garage, with construction to begin as soon as possible.

**Dog Pound Costs**

In a second resolution, the council approved an agreement to pay 43.50% of the cost of a \$15,338 Madison-Venice dog pound, based on populations and the same share of maintenance and operation costs. The money will come from the city's McKinley Bridge revenue fund.

Formal reading of minutes of the previous meeting, which was carried out for the benefit of the visiting students, was read by Mayor Lee.

At the council meeting were Jay Shambro, the student mayor; Jim Ebersold, city clerk; John Shambro, fire chief; Harold Case, police magistrate; Jack Fields, bridge manager; and Jim Hermann, chief of police.

Four of the 10 elected student officers were present at the Venice high school band and chorus concert and were not present at the council meeting. They were: Richard Sugg, city treasurer; Karen Rodgers, health inspector; Virgil Koelzer, street light attendant; and Frank Bartlett, alderman.

## Passengers Injured

Thelma King, 12, of 2411 Bryan avenue, a passenger in a westbound auto on 30th street Thursday at 7:05 p.m., was injured when the car collided with a southbound car on Madison avenue driven by Arthur G. Arduelle, 31, of 623 Barclay avenue.

The King girl was taken to St. Elizabeth Hospital where she received emergency treatment, was given skull injuries and was released. Also treated was Mrs. Lucille King, 39, of 2411 Bryan avenue, who jumped her car on the dash board.

Lula B. Whitehead, 59, of 2235 Devey avenue, driver of the car in which the King girl was a passenger, was charged with failing to yield right-of-way. She was taken to St. Elizabeth Hospital.

## Wood River Woman Hurt

A Wood River woman, Sylvia Wright, 38, was hospitalized in St. Louis for neck injuries, bruises and scratches, suffered Saturday morning when her auto slid on a patch of ice on a dirt road west of Mitchell and struck a post and concrete culvert. She was taken to Jewish Hospital.

County authorities said a car on a dirt road south of U. S. Bypass 66 about four miles west of Mitchell.

## 5 Persons Hurt, 10 Weekend Area Traffic Mishaps

Quad-City area traffic mishaps caused injuries to five persons, a tabulation of weekend reports to local, county and state authorities showed today. Accidents totaled 10, including three injury and seven non-injury collisions.

Freddie E. Greening, 27, of Alton, was admitted to St. Elizabeth Hospital Saturday afternoon following an accident at 7th street and Madison avenue about 4:15. He is listed in good condition today following x-rays.

Greening told police that he was going east on 27th when the traffic light changed and his brakes failed to function properly. His car struck a northbound car driven by Julia M. Carmack, 45, of 2740 Grand avenue, who escaped injury.

However, Wanda Newland, 35, of Wood River, a passenger in the Greening auto, was injured and taken to the hospital where she received emergency treatment for a bruised left leg and abrasions to the right knee.

Police charged Greening with running a red traffic light. He posted his driver's license as a condition of release.

## 3 From GCHS First In District Speech Meet

Three Granite City high school graduates captured first-place ratings in district judging Saturday at Staunton and will advance to sectional competition March 3 in Effingham.

Those advancing were Robert Butler, after-dinner speaker; Virgil Malmberg, extemporaneous speaking; and Marianne Wagner poetry reading.

Other scoring were Cheryl Glozik, fourth in prose reading; James Spauld, fourth in original oratory; and Kathleen Oren, fifth in comedy reading. Twelve schools participated.

Granite City was one of 20 high schools competing in a speech tournament held at St. Louis Thursday and Friday. Kathleen Oren placed first in comedy reading.

## Levee District Will Open Bids Wednesday

Bids on the controversial sale of 195-000 sq. ft. of land to the Levee & Sanitary District general obligation bonds will be opened and read at a special meeting of district board members Wednesday at 7:30 p.m. at the headquarters of the Levee & Sanitary District.

The bonds are to cover the costs of constructing 10 district levees and the cost of the improvement of the Terrace lane sanitary sewer line, the contract for which was awarded to the Levee & Sanitary District by G. H. Sternberg & Co. of Granite City.

One of the bonds was trimmed slightly from \$183,000 to the current figure by release of Midland Securities of Chicago as fiscal agent, but the \$18,000 reduction has been criticized by taxpayers' groups as too small a cut in costs if the levee district is to handle the sale of the bonds itself. The Terrace lane project here was estimated to cost \$15,000 and the contract award was \$8,800, a savings of \$6,200.

The cost of the levee district of the bonds is based on cost estimates as submitted by a consulting engineering firm.

## Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday: Shirley Howland, Rural Route One; Ruby Guss, 2334 Highway 10; Frank Hlastan, 2033 Madison avenue; Burel Brennan, Route Four; Myrtle avenue; James Merrifield, 2307 Kirkpatrick homes; Helen Broadwater, 2134 Nevada avenue; Linda Bryant, 2127 Lincoln avenue; Naomi Lancaster, 2928 Dogwood drive.

## \$46,000 Dwelling Boosts GC Building; Start Nestle Razing

A \$46,000 dwelling has boosted February building in Granite City to \$75,765 and 14 permits City Building Inspector E. A. Bloomquist's records showed today. A \$15,000 permit was issued last week to raise a section of the Nestle plant, 2101 Adams street, damaged in a tragic explosion Aug. 9 last year and scheduled to be built the year.

The \$46,000 dwelling permit was issued by Bloomquist to Dr. E. B. Dierker, 2101 Adams street, damaged in a tragic explosion Aug. 9 last year and scheduled to be built the year.

Two-story house, with two and a half baths and an accessory garage, the plan will be four-story structure instead of the old three-story plant.

Building permits issued last week by Bloomquist included: \$940 to repair and rebuild porches at the Nellie Vasmann residence, 2609 Lincoln avenue; \$800 to erect a carport at the residence of William B. Gamm, 2337 Terminal avenue; and \$150 to alter and remodel the offices of W. S. Radio & TV Co., 1536 State street.

Another razing permit, for \$1900, was issued to the Farm Road Railroad to raze two buildings on 22nd street at the railroad crossing.

## Mayor Studying Reorganization For Plan Commission

Possible reorganization of the City Planning Commission is being studied by Mayor Davis, who has called upon City Atty. William Healy for legal advice to solve the problem of keeping the commission in operation on zoning change requests.

The 5-member commission has not met officially this year with the January meeting and several meetings canceled due to the lack of a quorum. Chairman David Morgan said the commission has been "regular" in the sessions, normally held at 7 p.m. on the second Thursday of each month.

Jerry Kent, local realtor has been asked to chair the commission on a delay in obtaining a decision on a zoning request for a tract outside the city limits but within the 1 1/2-mile limit controlled by the city's zoning laws. Kent said he has about \$30,000 invested and filed his application last December to develop an area near Route 111 near Pontoon Beach as a subdivision.

The realtor told the Press-Record he has been unable to secure permission to build and questioned the legality of the city's controlling property outside its limits.

**1 1/2-Mile Jurisdiction Pending**

Morgan said the commission also has requested an opinion on the 1 1/2-mile limit. Community on the lack of a quorum at recent meetings, the chairman said the commission has been in evening sessions, but has encountered difficulties in that the city's zoning laws have numerous amendments. Several, he said, have been out of the commission's number of weeks.

Mayor Davis told the Press-Record he is hopeful a suitable solution can be made to keep the commission functioning, or else it will be dropped completely. In addition to its duties, the commissioners also said the city council in planning capital improvements for the city, the commission has been the city's proposed urban renewal program and a subcommittee of the city's planning commission listing for street improvements with motor fuel tax funds, to be collected by the city.

Membership was increased to 15 last August on recommendation of the Southern Illinois University's team of government experts. The commission size before that time had been 11 members. SIU recommended adding officials of various municipal agencies such as the police, fire, health, and planning departments.

City Regional Park District. Realor Kent commented that the city's smaller commission took "a long time to get a decision, but now the situation is better."

Morgan said the commission currently has three requests, including the pending one. He said many times the zone change requests are given the city council at a meeting already in progress. A 15-day notice of a hearing must be published, and that often causes a delay. He said the city has already met. A 15-day notice of a hearing must be published, and that often causes a delay. ## Truck Cab Tilts Up, Bridge Rail Damaged

Two sections of the McFlinley Bridge guard rail were broken in a trucking mishap involving a large tractor-trailer at 5:05 p.m. Friday. The driver, Raymond L. Joyce, 36, Litchfield, was unhurt.

Joyce was eastbound on the bridge just west of the main span when the weight of the load apparently caused the cab to tilt upward. He was unable to control the vehicle and it struck the rail, he related to Venice police.

## Two Area Men Report Today For Induction

Today's Quad-City area draft call resulted in two men being drafted for starting work on the new plant has been set until we finalize our engineering plans, let the purchase of the equipment," Causey said.

Reporting today were Walter Lee Wiser of the plant, and Clyde L. Wadlow Jr., Collinsville, formerly of Granite City. The transfer to Las Vegas, Nevada, was announced by Granite City.

Next month's quotas for the plant are issued to men to be drafted March 28 and one to report for physical examination March 5.

## 3 Major Issues Before GC Council

Debates Expected On  
Engineer Contract, New  
Committees, Sewer Break

Three major issues are expected to touch off fireworks at tonight's Granite City council session — new committee appointments, the motor fuel tax engineering contract and the second sewer break along the Aubrey avenue sanitary line.

However, Mayor Davis told the Press-Record Friday as to tonight's agenda was being prepared that he is not anticipating difficulties, despite strong opposition to the new MFT engineering contract which sets out higher fees than paid by neighboring cities.

The MFT contract with David J. Johnston of East St. Louis was placed on first reading two weeks ago and is expected to be submitted for advancement or passage tonight. Fees in the proposed one-year contract range from 1% to 2% higher than those paid to a local engineer firm by the cities of Madison and Venice.

**\$26,931 MFT Fees**

In nine months of the current fiscal year, Davis said, Johnston \$26,931 in fees including \$26,931 for MFT projects, \$10,000 for sewer repairs, and \$5984 for special projects, such as the 20th street sewer repair and the proposed 19th street resurfacing and Nevada avenue sewer.

Mayor Davis said the summer favored the hiring of a full-time city engineer, with the MFT work to be included in the duties, has abandoned the plan for the present. He explained that the city members were unable to agree on a selection, and the old MFT contract was the same in the proposed contract. He said the city approved by the state division of highways.

Committee appointments, announced last week, have yet to be confirmed by the council. Davis said changes were made with goal for harmony on the council and progress in the city. He told the Press-Record that the changes in chairmanships would be beneficial to the city, and that if not successful, he would resign.

The council voted two weeks ago to abandon the Southern Illinois University system of fellow, streamlined committees and increased the number from eight to 10. In making appointments, the mayor changed two chairmanships. He replaced with Estill Von Schmitt as chairman, replacing Samuel E. Johnson, who headed the former Public Works committee. The Personnel committee was eliminated, eliminating Arthur Wiser as chairman.

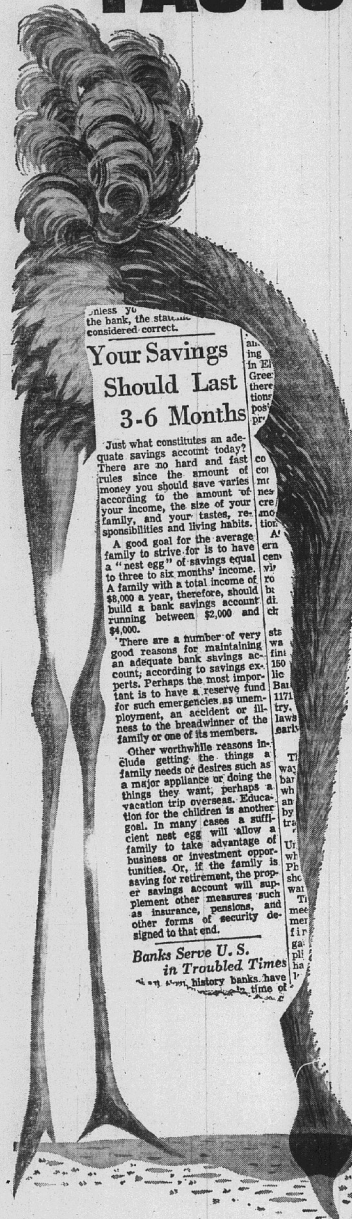

Nomm and Schmitt spearheaded the Dec. 18 council session attack on the SIU committee system, laying the groundwork in advance, at a special dinner meeting for aldermen, it was learned.

In making new appointments, the mayor said he hoped to get the city council working more effectively.

## Your Savings Should Last 3-6 Months

Just what constitutes an adequate savings account today? There are no hard and fast rules since the amount of money you should save varies according to the amount of your income, the size of your family, and your tastes, responsibilities and living habits.

A good goal for the average family to strive for is to have a "nest egg" of savings equal to three to six months' income. A family with a total income of \$4,000 a year, therefore, should build a bank savings account running between \$2,000 and \$4,000.

There are a number of very good reasons for maintaining an adequate bank savings account, according to savings experts. Perhaps the most important is to have a reserve fund for such emergencies as unemployment, an accident or illness to the breadwinner of the family or one of its members.

Other worthwhile reasons include getting the things a family needs of desire such as a major appliance or doing the things they want, perhaps a vacation trip overseas. Education for the children is another goal. In many cases a sufficient nest egg will allow a family to take advantage of business or investment opportunities. Or, if the family is saving for retirement, the proper savings account will supplement other measures such as insurance, pension, and other forms of security designed to that end.

**County Assessors Set  
Assessment Procedures**

Assessment procedures for personal property valuations to be set in the county for 1962 were outlined Thursday at Edwardsville during a meeting of the County Assessors Association steering committee and County Treasurer Dan W. McGee.

The procedure with the committee recommendation for uniform personal property valuations will be presented to the annual spring meeting of all assessors set for 9:30 a.m. March 29 at the county courthouse.

Valuation figures recommended include 67 American-made autos and 60 makes of foreign cars. Real estate assessments for 1962 are to remain at the same 60% of market value ratio as in 1961.

Attending the committee meeting from here were Assessors Joseph Bergrath of Venice, Von Dee Cruise of Granite City and Otis H. Reeves of Chouteau township.

**Divorce, Annulment  
Granted Saturday**

One divorce and a marriage annulment were granted here Saturday morning before City Court Judge Fred P. Schuman.

Joyce Barr was granted a divorce from Phillip Barr on a charge of cruelty, and she was given custody of two minor children. They married Sept. 22, 1956, and separated last Feb. 6.

The alleged non-payment of the taxes occurred in 1956 and 1957. Congress abolished the transportation tax law the following year. The government contends Kovach paid \$224.00 quarterly transportation taxes over the two-year period, while the amount actually owed was \$108.

While incorporated in Missouri, the Kovach firm also operated in Illinois, Scroggins said. The indictment against Kovach was returned last December. No date for a further hearing has been set.

## Boy, 11, Spots Pair Of Robins Sunday

A fifth grade Webster school student, Mark Lerch, 11, reported this morning he saw two robins yesterday afternoon on a utility wire at the rear of his home, 2248 Edwards street.

The youth, a son of Mr. and Mrs. John Lerch, said he spotted the pair in the afternoon. He was the first to notify the Press-Record in the annual custom of noting the robins' arrival in the Quad-Cities area.

## Mayors Invited To Pollution Discussion

Mayors Leonard Davis of Granite City and Alvin G. Fields of East St. Louis, together with engineers from both cities, have been invited to attend a special meeting, Tuesday night in the East St. Louis offices of the East Side Levee and Sanitary District, to determine positions the cities will take in the levee district's pollution abatement program.

The meeting is being called by levee board President Lawrence Tolar, who said he hopes to determine the cities' decisions before he and other levee board representatives must appear at a hearing before the Illinois Sanitary Water Board in Springfield on Monday, Feb. 26, on the alleged pollution of the Mississippi River by the district.

At the Feb. 26 hearing the levee board will be asked to show cause why it should not be restrained from the alleged discharge of untreated domestic sewage and other wastes into the Mississippi.

A 10 a.m. meeting to Tuesday, Feb. 27, at East St. Louis have been representatives of the consulting engineering firm of Horner & Shifrin, which conducted an extensive survey of district pollution problems and submitted reports calling for the construction of an integrated sewage treatment system within the levee district.

Neither Granite City or East St. Louis, the largest municipalities within the district, have taken official stands on whether to join the overall plan or construct separate treatment plants.

Into Weigle's service station Jan. 21 at 1302 Edwardville road but did not take anything. He admitted breaking the glass door at Frank Hale's service station, 14th street and Edwardville road, Feb. 1 but said he did not enter the building.

However, Hale told police two tires and a battery were taken from his station that night. The same night a red pickup truck was stolen from Hale's lot which the boy admits taking. He also admits attempting to enter Brokaw's service station, 1151 Edwardville road, the night of Jan. 16.

Chief Lowder said the boy confessed to taking a car, belonging to Nicholas Fordas, from Brokaw's lot on Jan. 21 and abandoning the auto Feb. 7 near the Chain of Rocks Canal where it became mired in the mud.

**Admit Another School Theft**  
Additional questioning conducted by Madison police during the weekend yielded a Jan. 25 burglary at St. Mary's parochial school, where intruders stole about \$20 from a teacher's desk and from cardboard boxes containing donations for mission work.

The break-in was admitted by two fifteen-year-old boys, one from Madison and one from Granite City, who had been caught Feb. 8 in Chaffee, Mo., in an auto stolen in Madison the previous day.

During initial questioning, they had admitted the car theft, a burglary at Madison high school Jan. 21 and a repeat visit to St. Mary's school Jan. 27. They and a Granite City boy, 17, admitted breaking into a food store in Nannestad, Mo., Jan. 13. All have been referred to the police for the \$100 theft.

**Fined For \$100 Theft**  
Arnold Pratt, 27, of 211 Butler road, Venice, was arrested for petty larceny Saturday morning after a Venice woman told police someone entered her home sometime during the night and took \$100 from under her pillow.

Fruit admitted taking the money, but said it was a misunderstanding and that he did not steal it. He appeared before Police Magistrate Wesley Edwards Saturday afternoon, when he was assessed \$150 in a fine and costs. He is still in custody pending transfer to the county jail for non-payment.

**Pleads Guilty**  
Harold Chastain, 19, of 4917 Wheeler drive, Granite City, pleaded guilty Saturday morning before Police Magistrate Caspary to a charge of theft filed under the new statutes by Granite City Chief of Detectives James LeVine.

The case was taken under advisement and he was released yesterday at 10 a.m. on a \$250 property bond.

Lowder said Chastain admitted stealing a gun from the home of a stolen Tuesday by a 15-year-old boy who has been turned over to Coordinated Youth Services.

A hucup to a 1959 auto, belonging to Norman Martinez, 2228 Alexander street, was stolen Thursday night.

**Mental Patient Caught**  
A 34-year-old East St. Louis mental patient escaped from his father Friday at 4 p.m. near Mitchell enroute to the Alton State Hospital, Granite City police, who were summoned for help in the search with state police and Madison county authorities, located the man at West Pontoon road and Highway 61A and turned him over to county authorities to be taken to the Alton hospital.

**Carburetor Backfires**  
The carburetor of a 1958 auto, belonging to Mrs. Margaret Roberts, 2401A State street, backfired at 11:05 a.m. Friday at 23rd and State streets and damaged the wiring under the hood and dash board. Firemen did not estimate the amount of the loss.

Burglary Charges**

(Continued From Page 1)

Six-month sentences to the Vandalla state penal farm were ordered Friday by Circuit Judge Harold R. Clark for Billy G. Farless, 18, of 4545 Water avenue and Earl Davis, 19, Madison.

Each also was given five-year probation on burglary and larceny. Farless was indicted in January for break-ins Nov. 15 at the home of Robert Schell, 1202 Colgate place, where \$100, three rings, a coat and foreign coins and currency were taken, and Nov. 16 at the residence of Walter Humbley, 2600 Delmar avenue, where two cameras, a radio and binoculars were obtained.

The case against Harold Lee Graham, 18, of 2162 State street, arrested with Farless, was held over to the March circuit court session.

Davis was indicted for the Nov. 21 burglary of \$80 at the West Side Cafe, 2247 Rock road. Two of three alleged accomplices are being sought, and the trial of Charles Hinkle is scheduled for March. Hinkle was taken from co-operated accomplices.

On the favorable recommendation of County Probation Officer Joseph C. Turner, Tommie Lee, 20, Ogle Lee, 23, and Cleopas Nabors, 21, of Madison and Venice were granted two-year probation terms. They were arrested for taking two electric calculators and two electric heaters with a total value of \$100 from the home of Owens-Illinois Paper Products plant in Madison.

Judge Clark took under advisement Thursday afternoon a motion to dismiss one count of the indictment against Richard Louis Asher, Ronald E. Harkless and Richard J. Bell. They were indicted in January for the lawfully demanding for prostitution, based on keeping a young woman under their will in a cottage near here.

Clark denied a motion for severance and approved a third motion for a bill of particulars against the specific location has been postponed to March.

**Robertson At Joint Session On Water Rates**  
Randall Robertson, attorney for the Large Water Users Group, attend a joint meeting of Madison and St. Louis counties opponents to proposed rate increases by the East St. Louis and Interurban Water Co. Saturday afternoon.

The meeting was the first of a series designed to resolve the long-standing dispute, probably including the hiring of consultants to aid in preparing an opposition case to be presented to the Illinois Commerce Commission in April.

therapists, and other personnel. Minimum number of attendants per patient is set by state regulations, he said.

**Intens On Staff**  
In addition to such staff, the hospital would utilize interns from a St. Louis county chiropractic college, he noted. He said it would be the only facility of its type in the two-state area.

Dr. Walton has been on the staff of the Spaulds Chiropractic Hospital in Denver, one of the nation's largest, for the past eight years, and said his hospital here would be operated along similar lines.

"It would fill a great need in this area," he said. "We could handle many cases other hospitals do not have the myoelectric therapy facilities to take care of, especially chronic cases such as arthritis patients."

Dr. Walton said his present clinic would probably be operated as an out-patient clinic to facilitate the hospital work.

There are still several problems to be settled before actual construction of the hospital could begin, the doctor said, but he predicted no great difficulty if the zoning change is approved.

Buente and George Mauze.

**C. of C. Group Plans Visitation Program**  
The membership relations committee of the Tri-Cities Chamber of Commerce met Friday afternoon with Chairman Gordon J. Hoener to outline a continuous program designed to acquaint C. of C. members with the programs, services and activities of the C. of C.

Working with Hoener will be C. of C. Vice-President in Charge of Membership Charles Baker, and four team captains. A. H. Froenling, Floyd Mitchell, Arthur F. Buente and George Mauze, who will have four-member teams for the visitations.

The group will meet next Thursday morning to start the program and regular meetings will be held on the third Thursday of each month.

**Annexation Approved**  
County Judge Michael Kinney ruled Friday at Edwardsville in favor of an annexation of the Mitchell Public Water District, a tract known as Burton Subdivision, located along old Alton Road. Twenty-four persons signed the annexation petition.

**County Investigating Report Of Beating**  
County authorities are investigating today a report by Thomas Viesman, 41, of Glen Carbon that he was beaten by a gang of boys "somewhere along Maryville road." Deputies were summoned to St. Elizabeth Hospital at 9:30 last night, and were advised Viesman, who was listed in good condition today, was being detained for x-rays.

Deputies said they were unable to ascertain the location or purpose of the attack.

# Madison Outguns Highland 107-86 For 21st Win

## Freeman Nets 37 As Trojans Shoot .634 From Field To Win Conference

Tossing in his first nine shots from the field, Don "The Elf" Freeman "electrified" a packed house at Highland Friday night as he scored 37 points in Madison's 107-86 victory over the game Bulldog crew.

Coach Earl McClanahan's Madison Trojans blistered the nets as they connected on 45 of 71 field goal attempts for an almost unbelievable .634 shooting mark. Coach Roger Kesner's Highland quintet was not far behind in accuracy as it made 34 of 66 from the field for an excellent .515 average.

The win was Madison's 21st of the year in an unbeaten season, its 19th consecutive Midwestern Conference triumph and its ninth straight win in the league this season, clinching a second straight undisputed top title.

The Trojans have one conference game remaining—Tuesday night, when they host Cahokia's Cougars.

Win or not, the Trojans with a 9-0 mark cannot be caught. Cahokia has the second best record with a 6-2 showing. The Trojans have beaten Cahokia twice this year, 72-43 and 84-40.

**Haynes Hits 23**  
In Friday night's game, junior frontliner Bob Haynes added 23 points to the Trojans' season high of 107—the first time they topped the century mark this year. They humbled Highland 106-58 a year ago at Madison.

Freeman had 24 and Haynes 15 points in the first half. Madison led 33-21 after the first quarter and walked off the floor at halftime with a 58-42 advantage. The Trojans expanded the margin to 81-60 in the third period.

Madison placed nine men in the scoring and four were in double figures. Ken Grier, Terry Andrews added 11 and 10 points. McClanahan took Freeman out for two minutes in the second quarter and "The Elf" retired for the evening with 23-30 to go and 37 tallies.

**Reserves Impressive**  
The coach took all his regulars out at that time, when the team had scored 101 points. In the last 3½ minutes, the reserves scored only six points and Cecil Bell accounted for all of them with two buckets and two charity tosses.

Coach Kesner's Bulldogs has an impressive scoring with four men having 18 or more points. Jerry Dauderman and Lloyd Eardley tied for team honors with 21 points apiece. Bob Moyer did not enter the game.

Referee Earl Lee, St. Louis University baseball coach, remarked after the game, "While this season, those full-court passes are impossible to keep up with."

Madison's scorers: Freeman 37, Haynes 23, Griggs 11, Andrews 10, Mack "Haw" 8, Ed Petty 7, Bell 6, Calvin Jackson 3, Chuck Venarsky 2, Charles Cook 0, Farris Smith 0, and Tal Chick 0. Highland scorers: Dauderman 21, Eardley 21, Moyer 20, Beichel 18, Larry Moss 4, Ramach 2 and Russell Landolt 0.

Madison's junior varsity won 59-52. The win was the younger Trojans' 11th in 15 outings. Cecil Bell led the scoring with 18. Gary Skinner 15, and Lonnie Brown 10.

**HOW IS YOUR DENTAL HEALTH?**  
Do you know the average adult, who has not visited his Dentist during the past year is walking around with about 4 cavities in his mouth? They can not only cause much pain and unpleasant breath, but also endanger health because they may be more difficult to properly clean food.

**MANY CHILDREN'S TEETH ARE NEGLECTED.**  
If the "baby" or temporary teeth are not taken care of and prematurely lost, the permanent teeth may come in irregularly, often causing an unsightly appearance.

**PIORRHEA IS CAUSING MUCH DISCOMFORT.**  
About 44% of adults in their forties and about 80% of those past 60 suffer from this inflammatory form called "Gingivitis."

**WHY SHOULD PEOPLE AVOID DENTAL CARE?**  
Modern techniques and analgesics make visits to a Dentist almost a pleasure. Future pain and loss of teeth can be prevented. If you have not consulted a dentist within the past year be wise. Do it soon.

**OUR DENTAL AIDS STOCKS ARE COMPLETE.**  
Ask your dentist to send the exact medication, tooth brushes or paste and antiseptics he judges best for you and we will be glad to supply his exact specifications.

**1st Assembly Wins**

Trinity Tabernacle successfully slowed Second Baptist Thursday night in the park district's Church League play at Coalgate junior high school for two quarters before bowing to the visitors, 56-43. In the second game, First Assembly of God whipped Tri-City Park Tabernacle, 82-45.

Trailing 24-23 at the half, Trinity Tabernacle was unable to slow the style of play in the third quarter. Tom Finn led the winners with 17 markers. Carl Main and Jim Scherrille tallied 17 and 14 points for the losers.

A 38-point fourth period enabled First Assembly to make a rout of the nightcap. Four players hit in double figures for the winners, as nine figured in the scoring. John Draper led the way with 19 and Jerry Wintlen had 17. Paul Hollis and Bernie Crockarell added 14 and 13 markers.

Ronnie Blanton was high for Tri-City Park with 10 markers. The Church League standings:

### Sectional Tourney Ducats For Holders Of Season Tickets

Season ticket holders for the Granite City high school basketball team have until Friday, Feb. 23, to apply at the GCIS office for tickets to the sectional basketball tournament March 14-16.

Principal Lawrence C. McCauley said the school has been allocated a small number of tickets as the tournament host, and will make them available to the ticket holders this week.

Season tickets must be purchased at the time of purchase.

No public sale and no general sale to students is planned. Most of the tickets will go to schools whose teams qualify for sectional play through regional tournament championships. Their identity will not be known until March 9.

**Prather Second In Wood River Tourney**

Prather junior high school's seventh grade basketball team won second place at the Roxana invitational tournament Friday night, with the first-place trophy going to the host team.

Roxana scored a 37-22 win over the Little Chiefs in the championship contest.

Prather had defeated Wood River 37-24 the previous evening to reach the finals, while Roxana beat Bethalto to become the other finalist.

Prather scored just one point in the first quarter Friday night, trailed 37-1 at halftime and could not catch up in its final game of the year. Joe Martinez led the losers with 11 points.

Prather scored 21 the previous evening against Wood River.

## Red-Hot Rams Triumph Again; Gain Revenge For Earlier Red Bud Loss

Revenge has a sweet taste, and the Lincoln of Venice Rams completed the cycle at home Friday night by defeating visiting Red Bud 84-63.

The victory, Lincoln's ninth straight of the winning season, placed the Rams in the rather risky position of having met and defeated each of the three teams which were responsible for the only blemishes on the LHS record this season—Red Bud, Vashon and Sumner.

The last time Coach Stan Lynch's clever club was defeated was on Jan. 19 at Red Bud. In high gear since, the Rams have improved a 4-3 mark to 13-3 and might be excused for eyeing a sixth straight district title, something they will seek to attain next week.

**Home Finale**  
Friday's game marked the final Ram appearance this year before the hometown fans, and Lynch responded with what Lynch called "an inspired game."

Led as usual by offensive big guns Tom Hall (31 points) and Robert Chavis (24 points), Lincoln overcame a 13-14 first quarter deficit, bucketed 25 points in the second period for a 38-30 halftime lead and poured it on with a 27-point third quarter.

In the last home game, Lynch put all senior members of the team in action, and the Rams still shot 57% from the field.

**Press Bothersome**  
"Our 3-2 zone press bothered them plenty," Lynch said. "It looked like it should — much better than against Lovejoy in our last game."

Lincoln gave away a slight height advantage, but still beat the Red Bud squad to the boards. "We jump pretty well," Lynch said.

Lincoln pressed the entire game, and seldom did Red Bud get an opportunity to set up its controlled offense. "We like to get a team to run with us," Lynch said, "and we made Red Bud do it Friday."

The Rams will get an opportunity to take a 40-game winning streak into the Roxana district tournament when they play Sumner of Cairo there Friday night. Sumner is one of nine victims (70-53) which Lincoln has disposed of during the current win streak, and also is the last team on the Rams' regular schedule.

Lincoln's jayvee squad made "senior night" an entirely happy one for Ram fans by winning the preliminary game 49-40, at

A chicken thief who broke from hiding in a yard near Pacific avenue and Olive street at midnight Friday escaped in a fusillade of shots fired by patrolmen Ed Bauer and Ed Morris of neighborhood men. He left three sacks of chickens behind.

The robber fled on foot through the darkness toward the General Steel Castings Corp. and in spite of a vigorous pursuit he got away. It was not known whether any of the shots, fired from both revolvers and shotguns, took effect.

This year's Elstosodoff was the most outstanding success in recent years. It was enthusiastically received by the John Morgan, conductor of St. David's Choral Society, which annually sponsors the competition.

It was held last Saturday afternoon and night in the auditorium of Central grade school before a combined audience estimated at more than 1000 persons.

Members of the Granite City Rotary club were guests of Edward Mercer at a venison dinner Thursday evening.

The venison was shipped here from Texas, where Mercer and Dr. Lemuel Hall went over hunting during the winter. Every guest had nearly a half pound of meat.

For the second consecutive year, the Tri-City Municipal Alliance will sponsor a March-to-Church-in-March campaign in this community. It was announced Friday by Rev. E. E. McFarland, president.

Sponsored by the two American Legion posts in this community, a safety automobile equipped with a loudspeaker will tour the Tri-Cities tomorrow, with the driver calling attention to actual traffic violations as well as advising as he sees them happen.

The Business and Professional Women's club is sponsoring a card party at the Y.M.C.A. 1701 Fifth street, Madison, to raise money to defray the expense of a free commercial school being held from 3 to 6 p.m. daily at the Y.M.C.A.

Mr. and Mrs. Tan Williams, 1701 Fifth street, Madison, will entertain guests in their home Sunday and set places for 15. They were Mr. and Mrs. J. E. Gendy and daughter, Gwendolyn and Mrs. Jewel Rushing and son, Wilbur, of St. Louis. Also Miss Ingeborg Smith of Walcott, Ark., Earl and Minnie Arnold and Lottie Richter of Paragard, Ark., Mrs. Maxine, Dora and Mrs. Tan Williams and daughter, Miss Pansy, and sons, L. D. and Gene.

R. D. Smith, member of the senior class at Illinois College, Jacksonville, has been selected as one of four debaters to represent the college at the North Manchester Debate Tournament at North Manchester College, North Manchester, Ind.

The community high school wrestling team lost to a team from high Friday night 12-12 in a dual meet at the winner's gymnasium. The locals are tied with East St. Louis for first place in the conference race and will clash with Belleville next week.

After getting off to a very poor start, Coach Byron Bell's Happy Warriors finished third at St. Clair conference basketball season in a blaze of glory last weekend.

In addition to winning Friday and Saturday night from Belleville and Bend, they also won a 12-11 victory over the last 12-11.

The members of a local car club went to East St. Louis last Thursday afternoon for their party and were guests of Mrs. Ernest Frue of that city at the East St. Louis Community House.

There were two present from East St. Louis, Mrs. Zimmerman and Mrs. C. M. French, and the following Granite City members: Mrs. J. J. Horn, Mrs. M. J. May, Mrs. Zoe Cook, Mrs. Harold Lerner and Mrs. John Grub.

Mrs. Dan Gaughan, Mrs. George McQuade, Mrs. Stanley Green, Mrs. Lester Lenz, Mrs. Louis Doerner, Mrs. J. E. Seymour, Mrs. J. J. Moore, Mrs. E. Groves, Mrs. May and Mrs. E. Groves, Mrs. W. Conrad and Mrs. E. Groves were those taking part in the pinocchio game Thursday evening at the home of the Jolly Twelve club held at the home of Mrs. Margaret Moran on East 24th street.

Overbeck, was in charge, and the latter part of the afternoon was devoted to games. Refreshments were served to Mrs. Dan Goller, Mrs. E. C. Strunk, Mrs. W. H. Prosser, Mrs. Dawson Pugh, Mrs. Jennie Hammond, Mrs. E. P. Allison, Mrs. Mark Moore of St. Louis, Mrs. Delmar Fearing, Mrs. J. R. Newman and Mrs. Overbeck.

The Scottie club met Friday with Mrs. Murrell Harmon, 2012 Washington avenue. Luncheon was served, the table decorations being in red, white and blue in honor of George Washington's birthday, and the following girls were present: Miss Ruth Rapp, Miss Mary Glazie, Miss Mabel Carter, Miss Lorraine Burs, Miss C. H. Haganauer, Miss Hazel Ledbetter and the hostess.

Dr. and Mrs. Philip Dale were guests of Dr. and Mrs. J. H. Linson of the U.S. Marine Hospital in St. Louis, brother-in-law and sister of Mrs. Dale, at the annual Army and Navy ball held at a St. Louis hotel Saturday evening.

## Mansfield Will Leave Dow For Law Practice

Frank C. Mansfield, an executive at the Dow Metal Products Division plant for the past 11 years, will leave effective April 1 to resume the general practice of law in Missouri and Illinois.

Announcement of Mansfield's resignation was made by Herbert Lyon, plant manager. Originally the director of personnel, he has since been promoted to assistant plant superintendent, as assistant plant manager in charge of the East St. Louis plant.

No decision has been made by the Dow firm as yet to a successor or assignment of his duties. There are several other assistant plant managers.

Mansfield also is secretary-manager of the East St. Louis Associated Industries, an organization of manufacturers in the East St. Louis area. He plans to continue in that position.

Mansfield has residences in Lafayette III. and at 4111 Madison avenue, St. Louis. His law offices will be located at the McPherson building at the First National Bank Building, East St. Louis.

In addition to a general law practice, he will specialize in labor and industrial relations, governmental regulations and real estate.

Mansfield became associated with Dow shortly after the acquisition of the East St. Louis plant. He was formerly known as the Dow Chemical Co. and is still a subsidiary of Dow Chemical.

## Voters May Utilize Deputy Registrars

## Threat To Freedom More Complex, Harder To Fight Than Ever Before

"To maintain the American way of life and pass it intact to succeeding generations is the responsibility of every citizen," said a statement issued by the American Legion.

Unlike past perilous times, when the major threat was on the military front, this task has become more difficult. Our self-declared enemy attacks on many fronts—economic, political, scientific, social, educational, religious and psychological. The stakes are, for Communism, mastery of the world; for us, preservation of freedom and human dignity.

Because every man, woman and child is directly affected, the other, the American Foundation has chosen as the theme of its 1962 Freedom Roll Call this month, "What have you done for freedom today?" The Foundation, whose honorary chairman is Dwight Eisenhower, hopes to awaken all to the necessity to think, speak and act in behalf of freedom every day in the week.

Just as not all anti-Fascists are Communists, neither are all anti-Communists Fascists. As long as American principles of justice are followed, anti-Communism is not only proper but vital. No one can afford to be indifferent, for the challenge is real and deadly, and the United States is the primary target.

In predicting that the cold war will be won by one side or the other, the American Foundation says the most dangerous thought of today is that one person's effort is too small to count. "It no longer is enough to simply believe in freedom and be willing to fight for it," the Foundation says. "One must be a man of action, one must be willing to sacrifice, knowledge and determination."

Suggestions include more widespread understanding of the concepts, values and duties of our free system; encouragement of youth to prefer the American way and reject glittering but false promises of a system held together only by force; and sincere belief that resolute, responsible, reverent and patriotic people can prevail despite continuing enemy conquests which have included Hungary, Czechoslovakia, Poland, the Balkan countries, China, Tibet, North Vietnam, North Korea, East Germany, East Berlin and Cuba.

Efforts to chip away at the ideals and institutions which are the backbone of our democracy and organization become more active, dedicated and articulate in behalf of democratic beliefs than the Communists are of disguised atheistic enslavement. There can be no compromise, sacrifice and knowledge and determination.

As well as understanding the nature and seriousness of the threat, it is essential that everyone know and appreciate his heritage. The reason no other way of life compares with ours is that we have believed in and defended:

The right to a fundamental belief in God.  
SAY GOOD BY TO YOUR HEALTH  
A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

BLOOD AND ITS COMPOSITION  
The function of the blood in the human body has many purposes, all of which are geared to keep the body alive and in good health.

Constantly circulating, the blood carries oxygen, water and food to all cells of the body. When something happens to disturb the blood machinery, disease and illness result.

Sixty thousand blood channels circulate the circulatory system. Acting as a pump, the heart sends the blood through this system to feed the body.

Blood feeds body cells to breathe by bringing them oxygen from the lungs and by taking carbon dioxide from the cells back to the lungs, where it is expelled. It carries food from the intestines to the cells, and takes waste products to places where they are removed from the body.

Guards Against Infections  
It furnishes water to the cells, and distributes it. It produces the white cells, the antibodies and internal organs. Serving as a temperature regulator for the body, the blood, through its own chemical and cellular composition, acts as a bodyguard against infections.

Constitutional government designed to serve the people.  
Political and economic rights which protect the dignity and freedom of the individual.

And the right to worship God in one's own way; to free speech and press; to assemble; to petition for grievances; to privacy in our homes; to habeas corpus and no excessive bail; to trial by jury, with innocence until guilt is proved; to move about freely at home and abroad; to own private property; to free elections and personal secret ballot; to work in callings and localities of one's choice; to bargain with our employers and employees; to go into business, compete and make a profit; to bargain for goods and services in a free market; to contract about our affairs; to the service of government as a protector and referee; and the right to freedom from arbitrary government restriction and control.

## Growing Number Of Officials Revealing Income Tax Returns

The growing number of candidates pledging to reveal their personal incomes underlines Madison county's advancement into a new era, bearing little resemblance to past decades that led to harmful notoriety. At least four present and potential holders of major offices have reached such decisions.

One's total income is personal information, but there is an obvious increase in confidence in a prospective official when he announces plans to publish his internal revenue service returns. Few persons involved in questionable financial transactions shoulder the added risk of incorrect tax statements.

Since the income revelations are entirely voluntary, rather than requested by the officials and candidates' reputations are in no way impugned. To the contrary, their public standing is fortified when the people know the truth about their finances.

## Venice Capture Demonstrates Effectiveness Of Police Radio

The Press-Record's 25 Years Ago column not long ago reported installation of the initial two-way police radio in the Quad-Cities. Now, the communications network has been improved to a point that successful getaways are becoming extremely difficult when robberies or other crimes are reported promptly.

A case in point is the capture in Venice of two holdup suspects in an auto seen leaving the scene of service station robberies in East St. Louis and on Collinsville road a few minutes earlier. There was no direction they could travel that could not be alerted in advance by police radio.

Effective radio contact of this type, in operation 24 hours a day throughout the year, is especially comforting for the Quad-Cities. Due to its Mississippi River bridges and the link with St. Louis, this community seems to attract a large number of fleeing criminals.

## Middle-Aged Can Be Valuable Employees

Though the outlook may not be quite as dark as pictured in a recent Forum letter, it would be proper for all employers to review their hiring policies to make sure they are not weighted against the middle-aged.

Age certainly is a factor that must be considered and, in many cases, it is preferable to hire the young. Still, most workers are far from useless in their 40s and 50s and even older, some believe that they are the most productive years.

Those displaced for reasons not related to their ability or initiative should not have to face years of sporadic employment and uncertainty. Happily for the writer, we were able to forward a job offer to him.

# THE PAST SPEAKS

REV. JAMES R. CRADDOCK  
Central Church, 1215 S. Third St.  
What is the church? Ask this question of different persons, and many different answers will be received.

For some, the church is identified as a building located at a certain place. For most, however, the church is not a building, but people.

It has been rightly said that on the level of the local community, the church is often viewed as an institution in which the creative thought and energies of people are consumed merely in the maintenance of this image. This "gathered" concept of the church can result in dead-end religious activity and worship.

Those holding this view think that the church is most truly the church when its members are assembled as a congregation in the church house and engaged in church work. Often the church is thought of in terms of "going to church," of working for an organization within the church, of publicity and promotion, and of meeting the needs of the church as an institution separate from the rest of the world.

When carried to the extreme, this view holds that the only way to serve God is to "do church work." Theologically, this is saying that Christ died for the church.

Too long Christians have huddled like frightened children behind the doors of the church. In general, they have been afraid to venture out into the world. Serving God's purpose in the world forces us to enlarge our view of the church. No matter how we look at it, we can think of the church as life and death are being waged.

Let the church be "gathered" for worship, for inspiration, for instruction and equipment, but then let it be "dispersed" for action in the world.

only in the "gathered" sense, we do not leave our membership at the door of the church on the way out. God accomplishes his purpose through people at work in the world.

The relation between these two views of the church as "gathered" and as "dispersed" should be complementary. People gather from out of the world for instruction, renewal and to be equipped for the task of transforming the world as the body of Christ at work.

Thus, the church may be likened to the Air Force with a mission, its own order, success, and its mission will fail. The same holds true with respect to the church. If its members are busy building and maintaining bases, then the real mission is forgotten. Members must be given assignments out where the great conflicts between war and peace, life and death, go on unceasingly.

Let the church be "gathered" for worship, for inspiration, for instruction and equipment, but then let it be "dispersed" for action in the world.

## Miss Alice Evelyn Spalding And Donald L. Henson Wed

Niedringhaus Memorial Methodist Church was the setting Saturday evening for the candle-light wedding of Miss Alice Evelyn Spalding and Donald L. Henson of Collinsville.

Bouquets of white flowers and greenery adorned the altar, and aisle posts topped with hurricane lamps lined the double aisles for the ceremony performed at 7:30 o'clock by Rev. Leroy Pittman, pastor of the Nemo Methodist Church.

Mrs. Russell West presided at the organ and accompanied the soloist, Miss June Nightwine, as she sang "Because" and the Lord's Prayer.

The bride, a daughter of Mrs. Donald G. Spalding, 2415 Pontoon road, and the late Mr. Spalding, chose her college roommate and sorority sister, Miss Sandra Stuebich, as maid of honor. Other attendants were Miss Liz Walhausen, Charles, Mo., and Miss Mary Stuebich, St. Louis, both Alpha Delta Pi sorority sisters of the bride, and Miss Carol Spengler, bridesmaid. The youngest member of the wedding party was little Janice Elaine Benjamin, a cousin of the bride, flower girl. Mrs. James E. Moore III, of Columbia, and Miss Aileen Hill, St. Louis, sorority sisters of the bride, lighted the candles.

The bridal gown was a flare of princess bouffant designed with classic simplicity in white tulle and lace, highlighted with a hand-rolled veil of candlelight flusion was secured by a band of beaded sequins. The bride held a cascade of white roses, stephanotis and lilies of the valley. Dr. Donald G. Spalding, St. Louis, escorted his sister to the altar and also served Mr. Henson as best man.

The maid of honor and bridesmaids wore ruby red ballgown dresses of satin brocade styled with sweetheart necklines, flared skirts and long, slim sleeves. Matching roses and circular veils completed their costumes and they carried cascades

of white, chrysanthemums and greenery. The flower girl, dressed in a white organza kimono, carried a white taffeta frock, carried a basket of red rose petals. The candlelighters were in choirboy robes with wristlets of red Sweetheart roses.

Mr. Henson, son of Mr. and Mrs. Paul E. Henson of Collinsville, had as attendants, beside the bride's brother, the following groomsmen and ushers: Dennis Humelett, George Robb, and James Jackson of Granite City; Clyde Crutcher of East Alton and Roger Wade of Collinsville.

Mrs. Spalding wore a powder blue dress of organza over satin with a matching hat and accessories. Mrs. Henson, the bridegroom's mother, wore a blue crepe and navy accessories. Both had pink rosebud corsages.

At the reception which followed the ceremony guests were greeted by Miss Karen Wright of St. Louis, and Mr. Henson, the bride, who presided over the guest book. Others assisting at the reception were Mrs. Doreen Benjamin, Columbia; Mrs. Donald G. Spalding, St. Louis, a sister-in-law, and Mrs. Dennis Humelett, Collinsville.

After a trip to Florida, Mr. Henson and his bride will reside in Springfield where he is employed in the State Division of Waterways. The former Miss Spalding is a recent graduate of the University of Missouri.

Members of the bridal party, Friday evening by the bridegroom's parents at their home, 1717 Fifth street, Collinsville, where silver and white were used in the party appointments. Approximately 40 were present.

Among the out-of-town guests here for the wedding were Mrs. Harold Condra, Columbia, Mo., Mr. and Mrs. Roy Jepson of Indianapolis, Ind., and Mr. and Mrs. George Wright of Jepson of Indianapolis, Ind., Mr. and Mrs. George Wright of Cedar and Mr. and Mrs. Harry A. Giltz of Charleston, Mo.

## Navy Mothers Plan Supper

Quad-City Navy Mothers, Unit 850, met Thursday evening in the club room of Club Delmar with Mrs. Hazel Jones, first vice-commander, in charge.

Sixteen were present, including a guest, Mrs. Joyce Rodgers. The group planned a chili supper for Feb. 24 at the DAV hall.

Mrs. Jones and Mrs. Edith McCallister were hostesses, and the mystery package was awarded to the former. Prizes in the games went to Mrs. Della Raub, Mrs. McCallister, Mrs. Nettie Herlin, Mrs. Mary Kover, Mrs. Juanita Williams and Mrs. Nellie Dix.

## LOCAL WOMEN VISIT RADIO STATION

Forty ladies, members of the Altamont and Rosalia, St. Louis, Sacred Heart Church, visited a St. Louis radio station Thursday afternoon to take part in the "Playhouse Party."

Mrs. Victoria Portell, mother of 11 children, was declared the "mother of the day" and presented with a bouquet of American Beauty roses, and Mrs. Marietta Lerner, who took part in a song guessing contest, was awarded a gift.

## Valentine Verses Featured By Class

The February meeting of the Winsome Class of Grace Baptist Church, 2600 Edwards street, was held Thursday evening at the home of the president, Mrs. Alice Hecht, on Route One, with 14 present, including two guests, Mrs. Helene Logan of Pinckneyville and Tammie Millikin.

The opening prayer was by Mrs. Mary Parker. Mrs. Hecht responded to roll call with original Valentine verses. The most interesting feature of the short business session during which the class voted to provide new literature for the church nursery.

Devotions were led by the teacher, Mrs. Evelyn Fedora, who gave the story of the parable, "Head of Christ," by Walter Salzman, and a cradle shower was given for the infant son of a member, Mrs. William (Sue) Fraley, born on St. Valentine's Day at St. Elizabeth Hospital.

Awards in games went to Mrs. Charlene Millikin, Mrs. Donna Fraley and Mrs. Lorene Parr. Refreshments were served.

## JUNIOR SERVICE CLUB WILL HOLD FASHION SHOW

"Dreams of Miss America" will be the theme of the spring fashion show sponsored by the Granite City Junior Service Club at the high school Tuesday, March 6, at 8 p.m.

Models will consist of small children, teen-agers and adults, all local residents, and Miss Pat Neen, of the Park District, and Dan Linder, of Tratliff's Men's Store, will serve as commentators.

All proceeds from the show will be used for charitable purposes and local stores will participate. Tickets may be purchased from any club member or at Graham's Book Store.

## CLUB WOMEN WILL ATTEND REGIONAL MEET

Members of local garden clubs are planning to attend the ninth annual meeting of Region Five, Garden Clubs of Illinois, to be held Thursday, Feb. 22, at 10 a.m., at the Signal Hill Lutheran Church, 3100 West Main street, Belleville. The Lanes-Grove Garden Club will be the hostess group.

An Arbor Day program has been arranged for the coming year to be elected. Mrs. William Klotz, director, will be in charge. Mrs. C. E. Eads, a member of one of the Granite City clubs, is serving on the nominating committee.

## Alpha Players Present Sketch

Mrs. O. H. Williams entertained the Ladies Coterie Thursday afternoon in the parlors of First United Presbyterian Church, 22nd street and Delmar avenue.

The program was given by the Alpha Players, a Little Theatre group from Florissant, Mo., who presented a comedy sketch, "The Curious Savage." Taking part were Mrs. Dorothy Asip, Dorothy Janice Hamm, Mrs. Virginia McDowell, Mrs. Bert Stark, Mrs. Marilyn Schneider and Mrs. Janet Caimi. Mrs. William Oden served as program chairwoman.

A dessert course was served before the meeting, and Mrs. C. L. Louis presided during the business hour. Announcement was made of an executive board meeting of the Madison County Auxiliary at a meeting in the home of the county president, Mrs. Evelyn Schlusner, in Troy, and there was a discussion on the Peace Corps and Radio Free Europe, support of which has been urged by Mrs. E. Lee Ozbirn, president of the General Federation of Women's Clubs.

Twenty members were present, guests including Mrs. Ernest Gaudy of Sacramento, Calif., Mrs. Edward Pauly, a former Coterie member, and those who took part on the program. The club will meet March 1 in the home of Mrs. Charles Pauley, 2422 Cleveland blvd.

## Miss Lillie Reese Hostess For Group

Miss Lillie Reese, 2014 Grand avenue, entertained St. David's Auxiliary at a meeting in her home Thursday evening and included three guests, Mrs. Mildred Burgess of Ogden, Kan., Miss Janet Vanscoy of Kansas City, Mo., and Miss Julie Lotz.

Miss Reese began, president, was in charge, and after a business discussion there were games and prizes given to Mrs. Frances Williams and Mrs. Gladys Hagan.

Refreshments were served to 12 members and the guests, and the Auxiliary was invited to the home of Mrs. Williams, 2410 Grand avenue, for the March 1 meeting.

## PARTY FOR OCTAGON CLUB

## Shower Honors Mrs. Talley

Mrs. Wesley Talley, a recent bride, was complimented at a shower party Thursday evening given by Mrs. Raymond Henley and Mrs. Fred Pieper, aunts of the bridegroom, at the Henley home, 2540 Cleveland blvd.

The gifts were displayed beneath a double wedding bell suspended from a mirror over the buffet. After the packages were opened by the bride, assisted by her husband, refreshments were served at tables centered with rose buds. The wedding bell theme was used throughout in the place cards, favors and napkins.

In games, awards went to Mrs. Vincent Pivoras, both of Mascoutah, and Mrs. David O'Neil of Belleville. Others attending were Miss Mary Hoerdt and Mrs. William Bramstedt of Mascoutah, Miss Katharine Hoerdt of St. Louis, Mrs. Luther Bramstedt of Belleville, Mrs. J. F. Darner, Mrs. Luther Craig, Mrs. Minnie Seidman on the Peace Corps and Radio Free Europe, support of which has been urged by Mrs. E. Lee Ozbirn, president of the General Federation of Women's Clubs.

Twenty members were present, guests including Mrs. Ernest Gaudy of Sacramento, Calif., Mrs. Edward Pauly, a former Coterie member, and those who took part on the program. The club will meet March 1 in the home of Mrs. Charles Pauley, 2422 Cleveland blvd.

## Maureen Bevil Bride Of Charles Robert Graves Jr.

Miss Maureen Rae Bevil and Charles Robert Graves Jr. were married Saturday afternoon at four o'clock at the First Methodist Church of Madison.

Rev. Russell D. Oden heard the vows of the couple and administered Holy Communion during the double-ring ceremony. The bride's parents, Mr. and Mrs. Burley Bonnett Bevil Jr., 1717 Fifth street, Madison, gave a reception at six o'clock at the Kirkpatrick Homes hall, 1624 Second street, Madison.

Decorations for the church followed a simple theme, using daisies and white floral arrangements for the altar and white bows and ribbons for the pews.

A program of wedding music was furnished by William Parker, soloist, who sang "Perfect Love" and the Lord's Prayer, accompanied at the organ by Miss Cynthia Wolcott. The bride was attended by her sister, Miss Susan Bevil, maid of honor, and Mrs. Kathleen Smith and Mrs. Barbara DuFrenne, both cousins of the bride, as bridesmaids. Rebecca Bevil, another cousin of the bride, was flower girl.

The bride's gown of neoprene was fashioned on soft princess lines with a scoop neck and long pointed sleeves. The train was fastened in the back with a large sear clip and terminated in a chapel train. The short veil of silk illusion was secured by a large pearl rose accented with crystals. Her bouquet was of white carnations.

The groom wore a tuxedo with a white shirt and a white bow tie. He carried a white boutonniere. The couple departed for a week's honeymoon at Miami, Fla.

Upon returning, they will reside at 1517 Fourth street, Madison. The bride and groom are graduates of Madison high school and Mr. Graves is employed by the Dow Metals Products Co.

## Outstanding Patrol Boy Or Girl To Be Named In GC

An all-expense trip to Washington, D.C., will be given to the "outstanding school patrol boy or girl" in Granite City's public and parochial schools in a contest being conducted by the American Automobile Association Auto Club of Missouri.

Arrangements to include Granite City in the contest were made by Mayor Davis, who has called upon Michael Mullen, a sixth grade teacher at Stallings elementary school to work out the details.

Announcement of the contest was made Friday by Mullen who said he is being aided by Ray Uram, representing the parochial schools, and Mayor Davis, with the three men making the

final selection in April. Mullen said more than 300 youngsters, all patrol boys and girls, are eligible to compete on the basis of ability to perform their duties. Initially, an outstanding patrol boy or girl is to be selected at each school and judging will be carried out during April.

Last year, Mullen said, the AAA sponsored 30,000 youngsters on excursions to Washington, D.C., and on March 7, a film of that trip will be shown to local patrol boys and girls at 7 p. m. in Central school auditorium. Mullen added that parents are invited to accompany their youngsters to see the film and hear an outline of the contest.

## Deadline Nears For Science Fair Entries

Thursday is the date for response from fifth through eighth graders in the Granite City school system who plan to enter exhibits in the Central school science fair, preliminary event to the 15th annual Greater St. Louis Science Fair at Washington University.

Judging of exhibits in the physical and biological sciences will take place at the Central school gym on Tuesday, Feb. 27, beginning at 9:30 a.m. Projects completed by Central and other grade school students must be turned in for display on Monday, Feb. 26.

First, second and third place ribbons will be awarded in both the biological and physical science categories, and 15 honorable mention awards will be made in each division.

Contest judges will determine how many of the top award winners, seventh and eighth grade students only, will advance to the St. Louis pre-fair judging which will be held at the Washington University field house April 28.

Surviving exhibits in pre-fair judging may be entered in the fair proper, which will run April 9-13.

Projects submitted for local judging must be affixed a base 16-by-12 inches, and should be no taller than 40 inches. The Central exhibit will be set up between 3:30-5 p.m. Feb. 26.

Judging the local fair will be Ronald E. Pyle, Harold Karandjeff and A. J. Mueller sr.

## 'Sweetened' Gas Tanks

Vandals put sugar in gas tanks of cars belonging to Martin Connor, 2904 Myrtle avenue, and Charles Kirkpatrick, 2810 Myrtle, last week. Both men reported the incident Thursday and Connor told police at 4:20 p. m. that the cover to his gas tank was missing.

## Surviving Spouse May File Joint Return

A surviving spouse whose husband or wife died during the 1961 tax year may file a joint income tax return provided he or she was not remarried by Dec. 31, District Internal Revenue Service Director Jay G. Phillips pointed out today.

Such persons may compute their tax at rates applicable to joint returns for the next two years following the death of the spouse, provided they maintain their home as the principal abode of a dependent child who does not remarry, Phillips said.

Regarding interest income, the IRS official said all interest which was credited to a taxpayer's account during 1961 must be reported on the 1961 income tax return. A booklet of "Investment Income" is available from the East St. Louis IRS office.

Phillips said Quad-City area taxpayers who have any questions about their federal income tax returns should telephone the East St. Louis office for assistance.

## New Bidding On Venice Recreation Building

New bids will be sought by 2 p.m. Thursday, March 22, on construction of community recreation buildings and site improvements at the Lee Wright Homes public housing project in Venice, Northgate Homes in Collinsville and the I. B. Curran and John L. Sullivan projects in Alton.

The second round of bidding is being announced by D. F. Brainer, executive director of the Madison County Housing Authority. Earlier bids were rejected.

## 900 Attend Sophomore Parents' Night At GCHS

Nine hundred ninth graders and parents reviewed course selections and curriculum offerings during "sophomore parents' night" at Granite City high school Thursday evening. The Coolidge and Prather junior high students will enroll at GCHS in September.

Principal Lawrence C. McCauley led an explanation of the high school program, and each family conferred individually with the student's prospective faculty advisor.

## GCHS Classes Studying April Primary Election

With the April primary election approaching, a timely study of political parties' rights and functions is in progress in civics classes at Granite City high school.

Albert Lewis, social studies instructor, reports that 89 senior students are studying how the two-party system developed; how parties are organized; their basic purposes; how the system is superior to Italy's and France's multiple systems; why people join a particular party; how good candidates can be attracted to politics; and the status of political parties in the Soviet Union.

Each student has started a study of the current election, assembling news articles, campaign literature and other information and conducting interviews with primary candidates. "Emphasis is being placed on political parties providing the means by which citizens act together to choose men for public office," Lewis explained. The students are exploring how the government, how political issues are brought before people in a democracy, how election frauds can be prevented and how the truth of political propaganda can be determined.

Other activities will include primaries, conventions, campaigns and voting.

## Revitalized MPA Elects Officers; Area Growth Goal

Robert K. Heineman, president of the Alton and Southern Railroad, was elected chairman of the Metropolitan Plan Association, Inc., at an organization meeting of the board Thursday afternoon in St. Louis.

Other new officers elected were William A. Mann, vice-president of General Electric Co., vice-chairman; John F. Hallett, vice-president of the First National Bank in St. Louis; treasurer; J. Eugene Johnson, sales manager of Union Electric Co.; secretary; W. Phillip Shatta, president of MPA; Edwin G. Schmitt, assistant vice-president of Illinois Power Co., and John W. Dameron, vice-president of St. Louis Public Service Co., vice-presidents.

Executive committee members elected were Eugene Dorsey, general manager of the East St. Louis Journal; William H. Jaffke, vice-president of Mercantile Trust Co.; C. E. Townsend, editor and publisher of the Press-Record, and Girard G. Varnum, president of the St. Louis County Chamber of Commerce. Officers of MPA are automatically executive committee members.

Established in 1944, Metropolitan Plan Association is a voluntary citizens' organization—the only one in existence—that spans the river. Since its inception, it has informed, encouraged and mobilized the voluntary leadership of officials and civic groups in an effort to solve recurring metropolitan area development problems.

MPA had a major role in establishing the Bi-State Development Agency, which built the Granite City harbor, and also the Madison County Planning Commission. It is well as similar organizations in the bi-state area, which encompasses Madison, St. Clair and Monroe counties in Illinois and the city of St. Louis, St. Louis, St. Charles and Jefferson counties in Missouri.

The Bi-State Pilot Committee was developed by MPA in conjunction with the area's three major universities—Washington, St. Louis and Southern Illinois University. Composed of 11 members from each state, the Pilot Committee recently published a report on organizational planning necessary for this metropolitan area.

MPA is supported solely by voluntary contributions of interested business, industry and labor groups, as well as individuals.

## 30 Members On Board

A formal installation of officers of Aunt Becky Young Tent 92, Daughters of Union Veterans of the Civil War, was held Thursday evening at the American Legion Hall.

The staff includes Miss Florence Koesterer, president; Mrs. Maude Lewis, senior vice-president; Mrs. Maxine Costoff, junior vice-president; Mrs. Laura Bishop, chaplain; Mrs. Edna Hoegel, secretary; Mrs. Jean Barnes, treasurer; Mrs. Beulah Gates, Mrs. Beulah Harrigan and Mrs. Flora Chappie, first, second and third council members; Mrs. Grace Bourbon, patriotic instructor; Mrs. Irma Taylor, guide; Mrs. Arline Fox, musician; Mrs. Irene Haug, guard; Mrs. Opal Landman, assistant guard; Mrs. Violet Kassabaum, Mrs. Louise Thompson, Mrs. Jenny Lee Barney and Mrs. Letha Gitchoff, first, second, third and fourth color bearers; Mrs. Vernice Wortman, historian; and Mrs. Bourbon press correspondent.

Mrs. Gates, the retiring president, welcomed the members and guests. The installation was conducted by Mrs. Irma Taylor, department of Illinois president and a past president of Tent 92, installing officer, assisted by Mrs. Haug, a past department of Illinois president, installing secretary, and the following out-

town officers: Mrs. Ruth Waters, senior vice-president; Mrs. Clara Barth, junior vice-president; Mrs. Hulda Reithmeier, chaplain; Mrs. Marilyn Colough, patriotic instructor; Mrs. Wilma Lanford, Mrs. Stella Bernreuther, and Mrs. Hulda Hyten, council members, all of Edwardsville.

Mrs. Gates was presented with her past president's pin and a monetary gift from her officers, and she in turn presented personal gifts to the retiring officers.

White flowers and greenery decorated the various stations, and a large basket of red roses was placed at the president's station.

The incoming president spoke briefly and received gifts at the meeting closed with the pledge to the flag.

Refreshments were served from a table holding an arrangement of red, white and blue flowers and the silver coffee and tea service and lighted with tall white candles in silver candelabra. Mrs. Costoff and Mrs. Lewis, who served as co-chairmen, presided over the table.

Circle Seven, United Presbyterian Women of First United Presbyterian Church, met Thursday evening in the church parlors, with Mrs. Forrest Browning, chairman, in charge. Plans were made to dedicate the circles to "Fellowship of the Least One" at the next meeting and to serve a wedding reception at the church Saturday.

Devotions from the Mission Book of Prayer, Journey Into Understanding, and the Study Guide on Knoxville College in Knoxville, Tenn., was given by Mrs. Browning. Mrs. Jack Malone presented the lesson.

A dessert course was served by Mrs. Malcolm Thompson and a social hour followed. The circle will meet March 15 with Mrs. Warren Woodward.

Others present Thursday were Mrs. Charles Borden, Mrs. Ellen Rollins, Miss Anna Mae Moore and Mrs. Schmiedke.

ATTEND ALTON MEETING

Mrs. Frank Welch, Mr. Harold Thomas, Mrs. William Thomas and Miss Betty Thomas attended the annual meeting of the Ladies Civic Improvement Association of Chautauqua Saturday at the YWCA in Alton. The Thomas and Welch families have cottages at Chautauqua.

This Medallion Home symbol is a guarantee of adequate wiring, engineered "light-for-living" and the convenience of modern electric living.

**NEW home or old home—  
It's not a modern home  
unless it's  
ADEQUATELY WIRED**

In a Medallion Home you enjoy the highest standards of electrical wiring. There are convenience outlets wherever they're needed. No more unsafe, unsightly extension cords and multiple plugs in one outlet. And plenty of circuits to handle your present requirements, as well as the new electrical helpers you'll be adding in the future.

**LIGHTED FOR LIVING**  
"Light-for-living" is built-in to a Medallion Home. This means functional as well as beautiful lighting fixtures wherever they are needed, indoors and outdoors too.

**USES MODERN APPLIANCES**  
A Medallion Home is equipped for modern living with certain basic major electric appliances, each operating on a separate 240 volt circuit.

A bronze plaque adjacent to the front entrance or imbedded in the wall steps identifies a Medallion Home. This means a home that is up-to-date electrically . . . and one that will stay modern for many years to come. You can be a Medallion Home no matter what its age. Modernizing your wiring to Medallion Home standards will pay dividends in convenience, safety and comfort . . . and can increase the value of your home when you sell.

VIEWING ART EXHIBIT at the Granite City public library are Carol Dombrosky, left, of 2821 Fortune drive, and Rita Taffenhardt of 1433 Madison avenue, both eighth graders at St. Joseph's school. The painting is titled "A Farm in Illinois," and is one of the works shown by Mrs. Maxine Littlejohn. The exhibit may be seen through the end of this month.

## Varied Works Included In Current Library Art Show

An art exhibit featuring the work of 12 local artists has opened at the Granite City public library and will continue until the end of the month.

This exhibit was planned and carried out under the supervision of Mrs. Carl Fuller, with the help of Mrs. Mary Knutson, librarian, and the library staff. Its purpose is to encourage more active participation locally in the study and creation of art.

Many phone calls and letters were received from people asking if they might exhibit work. Mrs. Fuller said, and it was with regret that these artists were not included. Limited space and lack of facilities for hanging the work necessitated this.

However, tentative plans have been made for an exhibit in the future in which more artists will be included, according to Mrs. Fuller, who said the interest already shown has made the project worth while.

Artists whose works are included in the exhibit vary in background and training.

Among paintings shown will be those of the late William Roth, exhibited for the first time since his death in 1953. A Granite City resident for 35 years, Mr. Roth worked for the Wash railroad and painted in his leisure time.

His work was all of little landscapes done in bright colors and usually of boyhood scenes. There were never given titles, but were numbered and dated on the back. His widow, Mrs. Dorothy Roth, lives at 2815 Cuyler street.

Among the abstract works in the show is a painting titled "Policeman at 6th and Delmar" by Mrs. Maxine Littlejohn, 2020 Bryan avenue. Full of misty atmosphere, it shows the city of St. Louis at night. Mrs. Littlejohn's paintings in the show range from the completely abstract work to small exact landscapes.

Pencil drawings of local scenes and a water color of a pin oak tree in Wilson Park are among the works exhibited by Miss Mary B. Tenekot, 11 Devon Hill lane. Now a fourth grade teacher at Washington school, Miss Tenekot received her training in art at the University of Illinois.

A still drawing is included in her works.

A Seascape Exhibited  
A teacher in the East St. Louis school system, Mrs. Helen Shillito of Rural Route One, Granite City, has several works in the show, including a seascape, two still lifes and landscapes done in a highly realistic style. She is a self-taught artist.

Twelfth painter to be included in the exhibit is Dallas Hicks of Collinsville, credited by Mrs. Fuller with contributing much to the encouragement of art in the entire area. Sponsor of the annual Outdoor Arts and Crafts Exhibit at Collinsville, Hicks always extends an invitation to Quad-City artists to participate, she said.

He studied painting at the Chicago Institute of Fine Arts and has worked with artists at the school. Four of his paintings are included in the exhibit.

The public is invited to view the exhibit, which may be seen during regular library hours 9 a.m. to 9 p.m. on Mondays, Wednesdays and Fridays, and 9 a.m. to 5:50 p.m. on Tuesdays, Thursdays and Saturdays.

**St. Mark's Annual Corned Beef Dinner Set March 11**  
Final plans have been made for the annual corned beef, ham and cabbage dinner to be held at St. Mark's Church in Venice March 11 from noon until 7 p.m. An announcement today by the president, Benney Magliacino.

The event is sponsored by the Holy Name Society and the following committees have been set up for the event: Mrs. Dorothy Holst, 4237 Rev. St. Louis, has been elected president of the Holy Name Society. She has been elected for the past two years in adult education classes in Granite City.

Among the works in the exhibit is a painting entitled "Girl With Kitten." It is a product of Carl Lewis of 2416 Glen place. He also has included a painting of Abraham Lincoln. A high school art major, Lewis also studied at a commercial art school in Chicago. He has painted seriously for eight years.

Not all works in the local exhibit are paintings. For example, the display includes a prize-winning ceramic tile picture of a white deer done by Mrs. Virginia Scherer, 3024 Franklin avenue. Noted primarily for her ceramic work, Mrs. Scherer also has on exhibit two landscapes in oils.

**Coolidge Board To Meet On Show, PTA Session**  
The executive board of the Coolidge Junior high school Parent-Teacher Association will hold its monthly planning meeting at 7:30 this evening in the school library. In addition to regular board members, those appointed to serve on a special style show committee are being asked to attend by the president, Mrs. Valerie Evenden.

Arrangements for the regular PTA session Feb. 26 will be discussed. The program scheduled for the general meeting is "The Growth of Communism," with Clifton E. Blankenship, safety director at the A. O. Smith Corp., as guest speaker.

**SCREENS & STORM INSERTS REPAIRED, GRANITE CITY GLASS, 18TH & EDISON.**

**"MEET MR. LINCOLN"** television program films and soundtracks, four copies of each, were presented to the Granite City schools last week by park board President Barry Loman (left). Granite City Supt. of Schools Dr. Harold Kaiser accepted the material, which was featured in a Feb. 6 park program and originally shown on a network series. Film and soundtrack sets will go to Granite City high school, Prother and Coolidge junior high schools and Central grade school for use in government and civics classrooms.

## Shrine Club Installs Officers At Dinner

A public installation of officers for 1962 was held Thursday evening at the Masonic Temple. Members, their families and guests attended. Henry W. Reimers was installed as president.

A pot-luck dinner was followed by the installation of officers for 1962. Jack Johnson furnished organ dinner music. Noble Roy Williams, second ceremonial master on the divan from Ainal Temple, was the installing officer.

Those installed were Reimers, president; George Warneke, vice-president; Louis Spahr, secretary; Julius B. Marshall, and his wife, Grace; and Charles H. Wagner, outer guard, and his wife, Lorraine.

Widows of deceased Shriners present were Meslames Sadie Jones, Dorothy Ashley, Tina Neimeiller, Fay Culp, Blanche Lane, Mary Connell, Maude Howell and L. C. Harlan.

Harold Mammie, divan marshal, announced that a Shrine parade will be held in Granite City Saturday, May 5, the date set for the Shrine ceremonial.

## Concert By Nameoki, GCHS Bands Thursday

The third of four 1961-62 season concerts of the Granite City high school band will be presented Thursday evening, Feb. 22, in the GCHS auditorium.

The program will begin at 8 o'clock with a performance by the Nameoki division grade school band, led by Joseph Owens. The high school group, conducted by Louis Meek, will conclude the concert. Selections are to be decided this week.

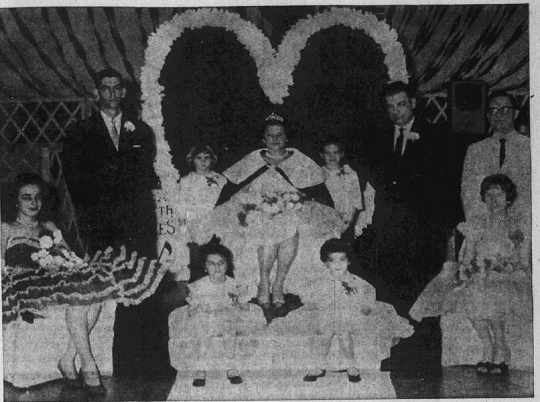

## Wet Road Causes Crash

A wet road was blamed for a two-car crash about 5:30 p.m. Thursday at the intersection of Tank road and Warnock avenue near Mitchell. County authorities said no one was hurt, as the car of Thomas L. Hutchins, 23, of 3918 Central lane, skidded on the wet roadway as he was attempting to pass another vehicle while traveling west on Tank road. The other auto was being driven east by Benjamin C. Getteman, 40, of 5221 Lakeview drive.

## Prospective Student Tests Feb. 24 At SIU

Potential college students in this area will report to Southern Illinois University's Alton and East St. Louis centers Feb. 24 for the American College Testing program test battery, it was announced today.

Persons registered for the tests will report at 8 a.m. at the student affairs office at East St. Louis or the student union building at Alton. From there they will be directed to the testing areas.

An admissions, scholarship, guidance and placement test battery, the American College Testing (ACT) program is designed to provide helpful information and services to colleges, high schools and employers. SIU expects its applicants for admission to take the tests.

The basic battery consists of four tests averaging 45 minutes in length in the fields of English, mathematics, the social studies and natural science. Tests will end about noon.

It is necessary for persons taking the Feb. 24 test to have registered at least three weeks before. Their receipts will serve as admission tickets to the testing centers.

Dr. William F. Banaghan, supervisor of student affairs at the university's Alton Center, said individuals who were unable to register in time for Feb. 24 tests will probably want to file an application soon for the April 21 testing date at the same SIU locations.

Applications may be secured from high school counseling centers, from Southern Illinois University or from the ACT central registration unit, 519 West Sheridan Road, McHenry, Illinois.

A fee of \$3 is to be enclosed with registration blanks, except in the case of students who will be attending an Illinois college or university. They must enclose an added \$1 fee for an additional test in the battery. In testing conducted in this area last November, Banaghan said, more than 400 persons were tested at the SIU centers in Alton and East St. Louis.

**Aid To Taxpayers**  
Personnel from the East St. Louis office of the Internal Revenue Service will be on duty at the council room at the city hall in Granite City until 4 p.m. today and from 10 a.m. to 4 p.m. next Monday to assist taxpayers in preparation of their 1961 income tax returns.

**Son Born To Mr. and Mrs. Richard Lehmkuhl**  
The couple has two other children, Theresa, nine years old, and Denise, seven.

**Disapproval Of Blood Resolution Reported**  
Tri-City Medical Society disapproval of a resolution prepared by Floyd T. Mitchell, Red Cross chapter chairman, has been reported by Mitchell to Red Cross directors. The resolution cited potential advantages of an organizational blood program and would have pledged the society's support.

Mitchell has suggested letters giving board members' views of the blood proposal, and said it might be helpful to enlist the aid of prominent citizens in seeking approval.

Harold R. Fischer, Rev. James Craddock and John Pier have been chosen to nominate 1962-63 chapter officers and to choose a delegate to the 37th national convention of the American Red Cross May 14-16 in Seattle, Wash. Rev. Robert Beatty is the Ministerial Association's new representative on the Red Cross board.

## Meeting Time Changed

Madison School Board President John Belloff has announced that Tuesday's regular meeting of the school board will start at 7 p.m. rather than the usual 7:30 starting time.

## What Determines Vitamin Quality?

It is not the price, for door-to-door vitamin sales people usually charge a great deal more for similar potencies than a pharmacy. "They generally overstate benefits," says the Department of Health.

It is not the potency on the label that is all important. What counts is how well the body absorbs the contents. The vitamins we supply are made by the reliable drug firms who make our prescription medicines. No manufacturing tests for quality are left out to reduce price.

### Ken Ferro Oratorical Contest Winner

Ken Ferro, a Granite City high school sophomore and son of Mr. and Mrs. Peter Ferro, Rural Route One, was winner of a Daybreak Oratorical contest Saturday morning at the YMCA.

Ferro now is eligible to advance to the zone level eliminations. One of three contestants, Ferro gave a five-minute speech on the subject, "The Creative Force of Optimism."

Others were Barry Lewis, a GCHS sophomore and son of Mr. and Mrs. William Lewis, 4301 Role avenue; and Craig Hawkins, Coolidge junior high school eighth grader and son of Mr. and Mrs. John Hawkins, 3251 Westchester.

### Installation of New Park Lights Complete

The installation of eight additional mercury vapor lights around the perimeter and inside the park has been completed by Illinois Power Co. on a contract basis. Park Supt. O. H. Williams said today.

The new lamps are in addition to the four recently installed at the main entrance to the park, 27th street and Delmar avenue.

A single mercury vapor lamp also has been installed at Triangle Park in West Granite, Williams said.

Existing poles were used to mount the 40-watt, automatically controlled lamps where the poles were available. New poles also were installed where they were needed.

Other new lights in operation are located at 27th and Benton streets, 27th and State streets, 29th and State streets, at the basketball diamonds near State street and Felling road, at the park tennis courts and at the 29th and Benton street entrances to the park offices. All are single installations.

### 3 Leave For National Convention On Schools

Three Granite Cityans left Saturday to attend an annual convention of the American Association of School Superintendents at Atlantic City, N.J. Those representing the school district are Supt. Harold M. Kaiser, Board President Robert Spengler and Board Member Ralph Fricker.

### Lloyd Patterson Named To U. Of I. Dean's List

Mr. and Mrs. Lloyd H. Patterson, 1018 Second street, Venice, were notified last week that their son, Lloyd W. 18, a freshman at the University of Illinois college of physical education had been named to the dean's list for scholastic achievement.

The student is a June 1961 graduate of Venice high school.
